

INSTRUCTION DIVISION
FIRST SEMESTER 2015-2016
Course Handout Part II

Date: 03/08/2015

In addition to Part-I (General Handout for all courses appended to the timetable) this portion gives further specific details regarding the course.

Course No. : MBA C415
Course Title : Financial and Management Accounting
Instructor-in-charge : Imlak N. Shaikh

Scope & Objective:

The common thread running through all the decisions taken by various managers is money and there is hardly any manager working in any organisation to whom money does not matter. This course has been designed keeping the above fundamental business concepts in mind. Efforts will be made to appreciate the basic understanding of accounting concepts, practices, preparation and analysis of financial statements using different management tools and techniques.
