

First Semester 2015-2016

Course Handout (Part-II)

Date : 03.08.2015

In addition to part I (General Handout for all courses appended to the time table) this portion gives further specific details regarding the course.

Course No. : ECON F 415 & BITS F 468
Course Title : New venture creation
Instructor : Jyoti

1.Course Description:

The purpose of this course is to not only study entrepreneurship but also practice it. Student teams are expected to create a technology or product based startup and complete the business model canvas ,including all the building blocks of creating an enterprise.

In order to create a successful startup, student entrepreneurs will be required to address various issues in startup creation – product development, market research, technology viability, fund raising, competitive analysis, team formation, marketing & sales strategy. The course features guest-lectures from prestigious entrepreneurs, investors and academicians with strong experience in creating and running startups. Participating teams will be assigned an experienced entrepreneur mentor who will guide them through the semester and beyond. The teams will compete with each other and the top teams will be awarded seed funding to pursue the business idea for incubation after the completion of the course and eventually launch the business.

2. Scope & Objective of the Course:

The course aims at providing students with an opportunity to launch/ prepare to launch lean start ups by the end of November 2015.

6. Evaluation Scheme:

- 05% attendance
- 10% class participation specially during workshop sessions
- 5% peer feedback
- 10% mentor-mentee relationship
- 10% elevator pitch contest (these will be evaluated across campus with at least one alumni)
- 20% first presentation on market sizing & MVP (across each campus by faculty members & at least one alumni)
- 20% second presentation on product & market research (across campuses by 3 faculty members & at least one alumni)
- 20% final business plan presentation (across campuses by 3 faculty members & at least one alumni)

6. Attendance

Attendance to every session is mandatory. Student entrepreneurs are expected to come prepared for each class with the required assignment or presentation. The speakers are volunteering time from their busy schedules to prepare and deliver a lecture for your benefit. Each absence will reduce your total marks by 2 . More than 2 absents will reflect in lower class participation marks as well. Attendance will be shared at the end of each session across the campuses.

Please avail prior written permission from your IC for any genuine reason to be absent, to be so decided by the IC concerned.

Please note that ICs will be keeping record of attendance and any proxy will liable you to lose 10 marks in the first round and can result in expelling from the course in case of repeat offence. **This will apply on both the persons taking and providing the proxy.**

7. Class Participation, Online Discussion and Surveys

Class participation and online discussion on Google Groups are critical components of this class. As entrepreneurial students you are expected to be highly curious and ask intelligent questions that will help your startup endeavor. You are expected to respond to class & speaker surveys after each session to get a portion of your grade. Finally, you will also be awarded points for taking ownership of the course to ensure effective delivery and meaningful outcomes from the course . It will constitute 10% of your overall grade.

Managing Mentor – Mentee Relationship

Each team will be assigned a mentor. Some of the past mentors have included VT Bharadwaj, Rahul Chandra, Abhinav Khushraj, Chandra Bhople, (late) Gagan Chadha, Shashikant Khandelwal, Satish Gupta, Rachit Parekh. This is one of the most important aspects of this program. Effective mentoring relationship will have a profound impact on your ability to create your startup. It is your responsibility to ensure communication with your mentor. A written report has to be submitted on your communication efforts & outcomes by August 25, September 25, October 25 & November 24. **These are hard deadlines.**

8. Chamber Consultation Hours: To be announced in class.
