INSTRUCTION DIVISION
SECOND SEMESTER 2015-2016
COURSE HANDOUT (PART-II)

Date: 15/01/2016

In addition to Part I (General Handout for all courses appended to the time table) this portion gives further specific details regarding the course.

Course No. : **CE F266**
Course Title : **STUDY PROJECT**
Instructor-in-charge : **MANOJ KUMAR**

1. Scope and Objective of the Course:

This course aims at developing the basic concept and understanding of the specialized branches of Civil Engineering not covered by CDC's and training the student for pursuing higher studies in this discipline.

2. Plan of Work:

Plan of work will be decided by the respective Instructors and must be got approved.

3. Evaluation Scheme:

Components	Weightage (%)	Due Date
(a) Project Title & Plan of Work	05	2nd week
(b) Written Presentation (midterm)	20	8th week
(c) Seminar & Viva (midterm)	15	9th week
(d) Written Presentation (final)	35	15th week
(e) Seminar & Viva (final)	15	16th week

4. Mid-Semester Grading:

Mid-Semester grading will be done on the basis of the components a, b and c of the evaluation scheme.

5. Grading Procedure:

In addition to what is mentioned in Part I of handout, the grading will be done mainly on the basis of the progress made towards attainment of the project objectives and will recognize that each Instructor has given specific task situation in which the student participates in a cognitive manner.

The Seminar & Viva will be conducted during midterm as well as in final in a seminar room in presence of at least three faculty of Civil Engg designated by the Group Leader in Consultation with the Instructor. The project report midterm and final must be submitted in a prescribed format for evaluation. The format will be available in CE Group office.

Thus each Instructor will recommend a grade for his student, for the consideration of the Instructor-in-charge. In a specialized course of this nature the respective Instructor's assessment of the student and also of the designated faculties vis-a-vis the objective of the project would be the central criterion for arriving at final grade.

6. Notices:

All notices pertaining to this course will be put up on the Civil Engg. Group Notice Board.

7. General:

It is the student's responsibility to ensure:

- * Continuous interaction with the Instructor.
- * Work to the satisfaction of the Instructor
- * Adherence to plan of work.
- * Prepared midterm report and final report in format.
- * Deliver Seminars.
- * Evaluation(s) to be completed by the due date by the Instructor and evaluation marks are communicated to the Instructor-in-charge by due date.
