4. Mid-Semester Grading:

Mid-Semester grading will be done on the basis of the components **a, b, c, d and e** of the evaluation scheme.

5. Grading Procedure:

In addition to what is mentioned in Part I of handout, the grading will be done mainly on the basis of the progress made towards attainment of the project objectives and will recognize that each Instructor has given specific task situation in which the student participates in a cognitive manner.

Thus each Instructor will recommend a grade for his student, for the consideration of the Instructor-in-charge. In a specialized course of this nature the respective Instructor's assessment of the student vis-a-vis the objective of the project would be the central criterion for arriving at final grade.
