Course Handout (Part II), Second Semester 2015 2016

Date: 06/01/2016

In addition to part I (General Handout for all courses appended to the time table) this portion gives further specific details regarding the course.

Course No.: CHEM F266 Course Title: Study Project Instructor-in-charge: ANIL KUMAR

1. Scope and Objective of the Course:

The course aims to develop the basic concepts in chemistry and encourage the students to use the concepts to develop a topic through the study of a current topic in depth based on the survey of the literature. It also provides training to the students for pursuing research in the discipline.

2. Project (s) & Plan of Work:

For the project title and details of plan of action, please see the attached sheet, which will be given by the concerned instructor.

4. Mid-Semester Grading:

Mid-Semester grading will be done on the basis of the components **a, b, c** and **g** of the evaluation scheme.

5. Grading Procedure:

In addition to what is mentioned in Part I of handout, the grading will be done mainly on the basis of the progress made towards the attainment of the project objectives and will recognize that each Instructor has given specific task situation in which the student participates in a cognitive manner. Thus each Instructor will recommend a grade for his student, for the consideration of the Instructor-in-charge. In a specialized course of this nature the respective Instructor's assessment of the student vis-a-vis the objective of the project would be the central criterion for arriving at final grade.

6. Notices:

All notices pertaining to this course will be put up on the Chemistry Department notice board.

7. General:

It is the **student's** responsibility to ensure: a) Continuous interaction with the Instructor, b) Work to the satisfaction of the Instructor, c) Adherence to plan of work; and it is the **Instructor's** responsibility to ensure Evaluation(s) to be completed by the due date and evaluation marks along with suggested grade are communicated to the Instructor-in-charge.
