Course Title : Managerial Communication Instructor-in-charge : JAYASHREE MAHESH

1. Scope and objective of the course

Present day organizations are faced with rapid changes both in the micro and macro environment. This poses challenges in implementing effective communication techniques within and outside the organization. The present day manager must possess a wide range of skills in order to interact with customers, subordinates, cross functional teams and meet multiple organizational goals. This course provides the key concepts of communication theory and techniques which managers can apply to realistic situations in a variety of workplace environments.
